Monthly Tuition is based on a twelve-month dance year with approximately four weeks per month. There is no extra charge for months with five lessons, nor is there a reduction or refunds for any classes missed for holidays or breaks. We continue enrollment even after the start of the dance year, so some of our classes may reach maximum class size and we will have to close enrollment for this class. For this reason, if you sit out a month, you may not have a place in class the next month.

Tuition is due the first of every month. You are responsible for monthly tuition until you notify the studio office of your intent to withdraw from a class. Charges will continue until we receive a notification of a dropped class from a parent.

Tuition is NON-refundable, and NON-transferable.

There is a \$25.00 annual enrollment fee for first time students (+\$5 for siblings). \$10.00 annual re-enrollment fee for existing students to be paid annually at Fall enrollment.

Classes must be made up within one month of the missed class. Students may make-up in the same or one level below their current level.
